Deliverable for Project 2 In this assignment, you will research and identify articles/news stories that demonstrate how digital media has been used to influence individuals or organizations. Then you will create a presentation (using a presentation software such as PowerPoint) analyzing and

...continued...

interpreting how the messages within the digital media were used to guide decision-making. In other words, you will be looking for news stories that demonstrate how digital media has been used to influence individuals or organizations and then use the information from the story/stories you located

...continued...

to create your presentation. The main contents of the presentation will be taken from the articles/news stories that you have located. You will also use other literature to validate the contents of your presentation. Title Slide: Include your name, instructor's name, and presentation title.Length

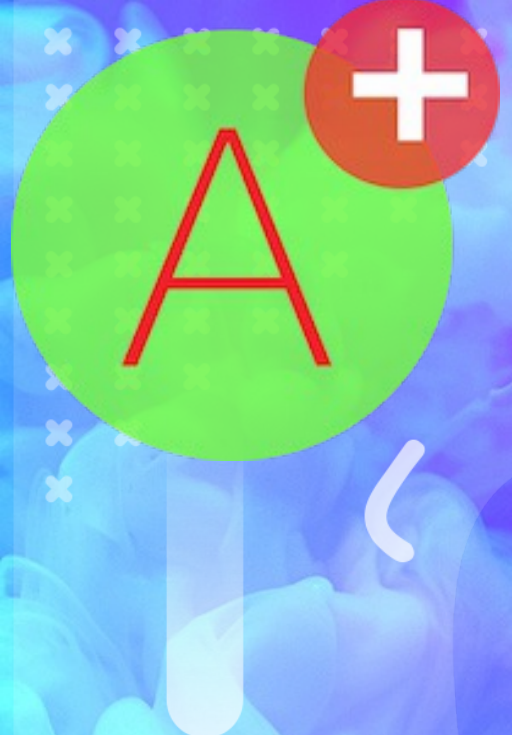

...continued...

Requirement: Minimum of 15 slides and a maximum of 20. Graded penalty for too less or too many slides. This means that the more slides you are away from the 15-20 range, the more points will be deducted. The slide count excludes the title and reference slides.
